Bowel Complaint in Children

When six months old the little daughter of E. N. Dewey, a well known merchant of Agnewville, Va. had an attack of cholera infantum, Chamberlain's Colic, Cholera and Diarrhoea Remedy was given and effected a complete cure. This remedy has proven very successful in cases of bowel complaint in children and when given according to the plain printed directions can be relied upon with perfect confidence. When reduced with water and sweetened it is pleasant to take, which is of great importance when a medicine must be given to young children. For sale by all druggists

Campbell's Fourth Street Restaurant

The Monett Chautauqua, July 6th to 16th

We have just received a copy of the Monett Chautauqua Herald and in looking it over we were amazed at the exceptionally strong program that is to be presented this year. Here is just a brief summary of the many big features.

On the opening day there will be two concerts by the Cover Sisters Trio, a great lecture by Henry Clark, and the evening session will be closed by Nicola, America's greatest magician.

The second day, Wednesday, July 7th, presents Taggart, the humorist from Vermont in two concerts the afternoon and evening sessions, while DeWitt Miller, one of the great men in the American platform will give "The Reveries of a Bachelor" and Frank Dixon, one of the brainiest and brightest men on the platform, presents the "Square Deal" at the evening session which will be closed by the Vitagraph Company.

The third day, Thursday, July 8th, is Bain Day, the Lyric Glee Club, which made such a big hit at Monett last year, will present a prelude concert at the afternoon session followed by Col. Bain in his newest and greatest lecture. At the evening session the Lyric Glee Club in addition to their superb chorus work will present a sketch from the "Mikado", the evening session being closed by the Vitagraph.

The fourth day, Friday, July 9th the Cover Sisters Trio are on for two concerts, Strickland W. Gillilan, the well known humorist will be the feature on the afternoon program. Knowles, the American Traveler-Humorist, will present his superb illustrated travelogue, "Fisher Folk of France, Flanders and Holland" at the evening session.

Fifth day, Saturday, July 10th, has Elma B. Smith, the greatest child impersonator and reader in America; Lulu Tyler Gates, one of the most popular lady readers in America, and Schildkret's Hungarian Orchestra will give a full grand concert at the evening session. This orchestra is better than ever.

The program for the sixth day, Sunday, July 11th, includes among others the sacred concert by the Chautauqua Orchestra, "Peaceful Valley" by Delah Rice, "The Story of Old Mike" by Dr. Geo. LaMont Cole, and at the evening session Dr. Cole presents in addition to the vespers service, an illustrated lecture on "The Cliff Dwellers." Dr. Cole is one of the best authorities on Prehistoric Man in America.

Monday, July 12th presents Everett Kemp, in "Sevenoaks" and also "If I Were King." Sunshine Hawks is on the program the same day and the evening session will be closed by the Vitagraph Company.

Tuesday, July 13th is known as Farmer's day, for at the morning session Jordan, the Missouri corn man, will deliver his great lecture on "Corn Growing—How to Improve the Quality—How to Increase the Yield." Jordan will show just how it is done and his lecture alone will be worth thousands of dollars to the farming interests of this community and this lecture will be free to all farmers and every tiller of the soil should plan to hear Jordan. The other big feature of this day's program are as follows: Mrs. Birmingham, one of the leading lady lecturers in America, who will give "The Story of the Holy Grail," while Phidelah Rice will present the great Shakespearean comedy "The Taming of the Shrew." The evening session being closed by the Vitagraph Company.

On Wednesday, July 14th, which is the ninth day of the assembly, DeWitt, the popular lecturer will present "The Uses of Ugliness" while Prof. J. Ernest Woodland, one of America's greatest scientific

lecturers, will give his lecture "Zero Absolute" at the evening hour. This lecture will be illustrated with startling experiments. The evening session being closed by the Vitagraph Company.

On the 10th day, Thursday, July 15th, Ora Samuel Gray, the brilliant evangelist-lecturer, will present his great base ball lecture, "The Third Strike," while Rosani, who made such a big hit at the assembly last year, will give another exhibition of his marvelous juggling and the evening session will also be closed by the Vitagraph Co.

The last day, Friday, July 16th, will possibly be the biggest day of all, for on this day Bohumir Kryl, the world's greatest cornetist, and his band of forty master musicians, which is one of the world's greatest bands, will give a great concert at the evening session. Bohumir Kryl has an addition to his band of eight well known grand opera singers, and scenes from well known grand operas will be presented in addition to the soul stirring concerts by the band. Here is a band that seldom appears outside of our largest cities. Make a special effort to hear it for it will be the biggest musical treat that has ever been in this section of the country.

Drop a card to R. M. Callaway, Monett, Mo., and he will send you a copy of the Chautauqua Herald, which contains the official program and full information about all of the big features that will be presented at the assembly.
